Dear Parents and Community Members

From the Principal’s Desk

ASSEMBLY
This morning our assembly hosts TA4 did a wonderful job of highlighting Mother’s Day. I am sure that there were many mothers sitting in the audience feeling very appreciated. Our year two students, also importantly, shared with us the many things that we should not give our mum on Sunday. It was a very light-hearted message and left everyone smiling. Well done to Miss Perry and students on a most entertaining assembly. Our next hosts will be our year 1/2 students from TA2 on 19 May. See inside this newsletter for details of the various award winners.

NATURE PLAY UPDATE
The next phase of this project is only a fortnight away. I am sure that following this busy bee everyone will see a significant difference to the various zones. Please read the article inside for further information about this exciting project.

STUDENT TOILETS UPGRADE
As mentioned last week our student toilets in the kindergarten, junior and senior blocks will be having some additional work carried out. This will entail re-tiling of the floor, skirting and sink areas, as well as the fitting of new water saver taps. The work is due to commence at the end of next week and will take about a month to complete. During this time there will be some inconvenience and disruption for students. However I am sure that this upgrade along with the painting work already completed will greatly enhance the appearance of all of our ablution blocks.

NAPLAN
Good luck to all of our year 3 and 5 students who will be participating in the NAPLAN assessments next week.

DOG WASTE STATION
In term one students from TA5 identified the issue of dog waste being left on the school oval and decided to take some positive action.
They wrote persuasive letters to the City of Joondalup highlighting the problem and seeking assistance with this concern. Last week the students received a letter of acknowledgement and some resources from the City of Joondalup and as a result of their action we have now resolved to install a dog waste station. The P&C have kindly agreed to assist with the purchase of a bin while Blair Bartlett (parent) has offered to install a device to hold the dog waste bags. The station will be set-up adjacent to the nursery near the double gate oval access. Well done TA 5 and Mrs Menegaldo for their initiative.

STUDENT ENROLMENTS FOR 2017
Parents of children who will be commencing Kindergarten next year will need to complete an Application for Enrolment form. Applications for student enrolments for 2017 can be made through our school office. Additional information including forms are also available online on our school website. Further details about this process will be included in next week’s newsletter.

ANNUAL SCHOOL REPORT 2015
This report is available to the school community and the general public through the Schools Online web site. It can also be accessed on our school web site. I would encourage parents to have a look through the report and welcome any feedback. A hard copy of the report is available from the school office upon request.

Have a great week, Dow Boyes Principal

Dalmain ‘Monster’ Book Fair 2016
Monday 30 May - Wednesday 1 June

From Monday 30 May 2016 to Wednesday 1 June 2016 we will be holding Dalmain Primary School’s annual Book Fair in the library. A detailed notice will be sent home next week regarding opening times etc.

I am calling for any interested volunteers to help with the setting up of the Book Fair on Friday 27 May from 8:30am onwards. Even just an hour would be fantastic.

I am also in need of a few parents/carers/grandparents to help at the cashier’s desk from 8:00 to 9:00am on Tuesday 31 May and Wednesday 1 June as well as on Wednesday evening from 6:00 -7:30pm.

Could any interested parents/carers/grandparents please come and see me in the library next week or phone the school on 9309 3711 to register your interest.

Book Fairs are a fantastic way to raise well needed funds for the library as well as encouraging the students to enjoy the availability of different genres to add to their home libraries. The students at Dalmain along with their families have really embraced the Book Fair in previous years so I am hoping that this will once again be the case.

Thank you

Kathy Melville
Library Officer
Please come and join us from **11am on Saturday 21 May** to help install the logs and mulch in the climbing logs area of the nature play space. We will need help with digging postholes, installing wooden posts, steppers, cubbies, fire rings and spreading mulch. A contractor will install larger logs in the days before the busy bee and we will hire posthole diggers to assist.

We will also need assistance with providing wheelbarrows, shovels, rakes and spades for the busy bee.

A couple of days before the busy bee we will also need assistance with painting a timber protector on the base of the logs to be buried. Please contact Amanda Wood for details (see below).

A sausage sizzle and refreshments will be provided throughout the day.

Could you please register your interest so that we have an idea of how many people may turn up on the day? Any assistance would be greatly appreciated.

It will be another rewarding day that helps strengthen our school community with the ultimate aim of providing a fabulous play and learning opportunity for all of our children.

**Who to contact**

To register or for further information, please contact Dalmain.nature.play@gmail.com or phone Amanda Wood on 0409 994822.

Further information is also available on Facebook (Dalmain Nature Play & D.U.G. (Dalmain Urban Garden) or https://dalmainnatureplay.wordpress.com/
Many thanks to

John May and The Van Wyk Family

for their very generous donations to the art room. The slow cookers will be of great benefit to the Dalmain Primary School Art Program.

Thanks again,

TA 2 Vegetable Market

TA2 spend a busy Monday morning picking silverbeet, beans, chillies and kale from the DUG to be sold later in the day at their pop up market. The students did a wonderful job enticing customers and promoting the fresh, organic produce from the garden. Money raised from the market will go towards purchasing more compost bins and further progress work in the garden.

Jane Ridley
Harvesting and Healthy Eating for TA 5

“This week in TA5, we had a healthy eating lesson and we learned about healthy bones. Afterwards, we went to the Dalmain Urban Garden and harvested some silverbeet for a spinach slice. I got to chop up some onion and stir the mixture. The ingredients we used were spinach (silverbeet), spring onions, milk, rice, eggs, zucchini and cheese. After that, we ate some slices. It was okay. I took the spinach slice back home and gave it to my mum. She really, really, really liked it - which is good. I had a lot of fun making really healthy food. It was awesome.”

~ Theodin

“This week I got to go and pick silverbeet from the DUG (Dalmain Urban Garden). TA5 made a food called spinach slice. It’s made from spinach (we used silverbeet), zucchini, spring onions, eggs, milk (for calcium) and cheese.

Firstly, we sliced the spring onions and grated the zucchini. Then we mixed them together and added milk, eggs, cheese and silverbeet. We stirred it together and preheated the oven to 180 degrees. We poured the mixture into trays and put them in the oven for one hour.

I would have to say that if I was a food critic, I would give this four out of five because it was healthy, enjoyable and quite filling as well.”

School Hats “No Hat, No Play”

Parents are reminded of our “NO HAT, NO PLAY” policy.
Students require their hat for morning fitness, recess and lunchtimes.

We are aware many students are currently coming to school without their hat.

Parents, please check that your child/children come to school with their own hat to ensure they do not miss out on vital sport and play activities during the course of the school day.

School hats can be purchased for $8.00 through the uniform shop. Order forms can be obtained from the school office (during office hours) or, can be downloaded from the school website:
