Dear Parents and Community Members

GRAND OPENING NATURE PLAY

We finally received the documentation from Kidsafe deeming that our Nature Playground complies with Australian Standards and as a result, we were able to open it up for use yesterday for the first time. Each class from Kindy to Year Six had a rostered time, where they could explore their new playground and it was an absolute pleasure to see their unbridled joy as they climbed, jumped and engaged with their environment.

Observing the students after school yesterday, it was evident that the popularity of the playground will mean that too many children are vying to use the same equipment, making it overcrowded and unsafe. To avoid this situation, we have set up a roster for class use at recess and lunchtimes and a duty teacher will be stationed at that post. After school we ask that the students on the roster for that day are the only students to use the playground and only if they have a parent supervising and for a reasonable amount of time.

We are thrilled with the excitement this venture has generated but are always mindful about your child’s safety. Please see the roster in the newsletter.

BATTLE OF THE BANDS

Next week we are privileged to have visits from the Woodvale and Greenwood bands. The Woodvale band will be performing on Monday 13 June at 1:00pm in the under covered area and the Greenwood band will be here on Friday 17 June at 1:30pm. These bands represent excellence in public education and I urge parents, if they are able, to attend these two events.

INTERSCHOOL SPORT

On Friday our soccer, AFL and netball teams will be competing against Hawker Park at Hawker Park. Hopefully the success they have experienced in the last few weeks will be repeated on Friday. Please note the games start at 1:00pm sharp.
