MASSED CHOIR
Over 60 of our students from Years 4-7 participated in the Massed Choir Festival on Monday night in Winthrop Hall at the University of Western Australia. It was a fabulous evening with our students combining with seven other primary schools to form a choir of some 450 students. The sound was awesome and I am sure all parents who attended would have felt very proud. Congratulations to Charlotte Benton who was one of the three soloists on the night and sang beautifully. I would like to thank all parents for their support of this event as well as the Dalmain staff members involved. In particular, Ms Pinakis is to be commended for her enthusiasm and work in ensuring that our students have the opportunity to participate in such an event. Students will perform a selection of the songs from the night at our next assembly on Thursday, 11 September.

FACTION ATHLETICS CARNIVAL
The first event of our faction athletics carnival gets under way tomorrow afternoon with students in Years 4-7 participating in the cross country. This will be followed by the throws and jumps on Monday, 8 September, again for students in Years 4-7. A program outlining the times of these events has been uploaded onto our school website as well as our school phone app. A copy of the program for Wednesday will be forwarded home today with the eldest child in each family. This will be the first year that students will be able to wear their faction shirts which should certainly add to the colour and general atmosphere of the day. Additional details about event times and schedules will be posted around the school and also online at our school website. I am looking forward to the running of all of these events over the coming week. Parents are welcome to join us and cheer on all of our students. Thank you to those parents who have already indicated that they are able to assist with the carnival on

Wednesday, your help and support is most welcome. Parents able to assist by helping to put up shades and place out equipment can join staff from 7.30am on the oval. Parents of our Year 6/7 students will be running a morning tea stall on Wednesday to raise funds for their upcoming camp in term four. I am sure that the stall will be as popular as ever. At this point the weather forecast for next week is looking quite promising - fingers crossed!

Alternatively you can select the options you wish to purchase and return the envelope to the school on the photography day with cash or cheque payment included.

*Please note, credit payments can now only be made online for security purposes. If you have placed your order online please DO NOT return your envelope to school.

Any parent who forgets or is unable to supply their envelope on the photo day will have five (5) business days to complete an online order only. The school office cannot accept any late payment envelopes.

You also have the option to order a sibling photo package, however please be aware there may be a limited number of sibling orders that can be placed due to time constraints on photo day. We suggest you place an online sibling order early to avoid disappointment.

Your suggestions and/or ideas would be greatly received and appreciated and can be either submitted to the school office or by contacting Melanie on 0419 609 007.
Students in TA 2 have been learning about how important water is and why we need to be careful we do not waste water. We have looked at different ways you can save water.

Here are some tips:
1. Turn the tap off when brushing your teeth.
2. Don’t have long showers.
3. Don’t throw drink bottles away that are half empty, try to use recyclable containers.
4. Turn all taps off properly.
5. Wash a full load of washing.
Next year Dalmain Primary School will be 25 years old!

A fete is scheduled to be held on Saturday 2 May 2015.

The fete will be organised and run by our school community through the P&C.

Our school has not held a fete in many years, so I am sure that we will all want to make this one a huge success. In order for this to happen it will require the support of a band of willing helpers.

Community members who are interested in being involved can contact Katie Jones, Jane McIntyre or the school office.

School Phone App

It is with great excitement that I announce that Dalmain Primary School is trialling the use of a phone app to further enhance communication between home and school.

The phone app is designed and organised through the company Tiqbiz. The app has a number of features which I am sure that parents will find very useful and informative. The app is free to download and there are no charges involved for parents during this one month trial or indeed in the future should this become an integral part of our communication processes.

You will find below instructions about how to install this app on to your smart phone, tablet or computer.

Enjoy the new app and please contact the school with any feedback that you have regarding this innovation.

Find and tick

Log-in
