As term three draws to close it is worth reflecting on what has been another event filled term for our school community. In the past 10 weeks we have managed to squeeze in the following activities in addition to the ‘normal’ curriculum: In-term swimming lessons, Scitech school visit, Massed Choir, Tales of Times Past visit, Australian Maths competition, Transition program at Greenwood College for Year 6/7, class excursions, Father’s Day extravaganzas, athletics carnivals, school photos, chess club visit and the Safety House incursion. It has certainly been another active and enjoyable term for everyone. Thank you to all parents and community members who have once again supported and assisted our school in so many different ways – much appreciated. I would also like to thank all staff for their continuing hard work and wish them all a well-deserved break.

**ASSEMBLY**
Our final class assembly was hosted this morning by our very young, but very capable, Pre-Primary students from PP2. What a wonderfully positive assembly it was with students spreading their message about the importance of being a “bucket filler.” All students (and staff) were dressed in brightly coloured attire, sang, danced, told stories and spoke beautifully on the microphone. It was a fabulous way to finish our assemblies for this term and was certainly a timely reminder for us all to be the most positive person that we can be. Congratulations to all Pre-Primary 2 students and staff.

**INTER-SCHOOL ATHLETICS CARNIVAL**
Students representing Dalmain Primary School at the Interschool Athletics Carnival at Halidon are to be congratulated on their efforts and enthusiasm on Monday and yesterday. Everyone gave their best effort and although we were not able to win a shield, it certainly wasn’t through a lack of trying. Congratulations to West Greenwood Primary School on winning the outright shield and to Halidon Primary School for hosting the event. The day was perfect for such an event and I am sure enjoyed by competitors and spectators alike.
Well done to all students who were able to gain a place in their events and I look forward to our school’s involvement again next year at Creaney Primary School.

TERM BREAK
Students will commence term four on Tuesday 14 October.

Have a great break,

Don Boyes
Principal

Congratulations to the winner of the Frozen Raffle
Mia Gunnion - PP 1

Friday Maths Results
19 September 2014 - Multiplication Set 7

Best Class - TA 7 (42.90)
Runner Up - TA 8 (41.80)

Most Improved - TA 7 (15.75)
Runners Up - TA 5 (5.10)

CITIZENSHIP AWARD: Brody Metcalf

Art Awards | Thursday, 25 September 2014

ARTIST: Laurentia Zoethout (TA 1, Year 1)
For her use of pattern that has been applied to her interpretation of Anne Vallayer’s painting, ‘Vase with Flowers’. Laurentia’s carefully detailed design successfully explores the use of pattern. Lovely work, Laurentia.

ARTIST: Olivia Jones (TA 7, Year 3)
For the development of line with indication of movement in her interpreting the work of ‘Percival’. Bethany’s painting demonstrates observation and clear application of colour. Lovely work, Olivia.

ARTIST: Bethany Stopher (TA 2, Year 3)
For the exploration of figures created while she explores, ‘Tom Roberts’, ‘Burke Street’. Bethany’s painting demonstrates observation and clear application of colour. Lovely work, Bethany.
Waterwise TA 8

TA 8 has been very busy learning about the importance of being waterwise. We have been discussing and reading informational reports about the nature of water, the water cycle, the dangers of consuming dirty, contaminated water and also ideas for using less water and ideas for causing less water pollution.

We also have had the pleasure of a visit from Mr Cowey who spoke at length about ways he has used to reduce garden water usage by adapting technology so that his plants are only watered when the ground is dry.

To take this theme further, TA 8 has discussed international programmes in Africa and Brazil where aid agencies are setting up programmes to help people survive droughts by lending them livestock, by teaching them how to dig and maintain better wells so that in times of no rain people do not perish from a lack of water. The agencies are also teaching people how to avoid contaminating their water supplies.

The students’ informational texts are on display in TA 8 if you would like to view them.

---

**Wonderful Water**

Water can do wonderful things. It can wear away soil and rocks. Water can even control Earth’s weather. There is nothing else on Earth that can do all the things water can do. Water can be a liquid, solid or gas. The water you drink is a liquid, ice is a solid and the steam that comes out of a kettle is a gas. All those things are still water. When water is 0°C it is ice. When water is 100°C it is a gas.

- Natasha

---

**Watery Earth**

Water covers more than 70% of the Earth’s surface. Unfortunately, people can’t drink salty water or you can get sick. Some of Earth’s fresh water is also underground.

- Cara

---

**Why we need to be Waterwise**

If we didn’t have any water on our planet we would die of thirst. We need water to survive. Everything needs water to survive. If we waste water everything will become extinct as we know it. So be water wise and turn off water taps, lower your shower time and don’t waste water.

- Emily

---

**Dirty Water**

Dirty water is a huge problem in some countries because people can’t drink it, especially in poor countries. If we don’t save our precious water we will not be able to survive. Nothing could!

- Ashton
Next year Dalmain Primary School will be 25 years old!

A fete is scheduled to be held on Saturday 2 May 2015.

The fete will be organised and run by our school community through the P&C.

Our school has not held a fete in many years, so I am sure that we will all want to make this one a huge success. In order for this to happen it will require the support of a band of willing helpers.

Community members who are interested in being involved can contact Katie Jones, Jane McIntyre or the school office.

School Phone App

It is with great excitement that I announce that Dalmain Primary School is trialling the use of a phone app to further enhance communication between home and school.

The phone app is designed and organised through the company Tiqbiz. The app has a number of features which I am sure that parents will find very useful and informative. The app is free to download and there are no charges involved for parents during this one month trial or indeed in the future should this become an integral part of our communication processes.

You will find below instructions about how to install this app on to your smart phone, tablet or computer.

Enjoy the new app and please contact the school with any feedback that you have regarding this innovation.

Find and tick

Log-in
Open tiqbiz and register/log-in.

Find
Click the ‘Find Boxes’ and type our name into the search bar. Select us from the results.

Tick
Click the grey tick on the boxes that apply to you. When the tick turns green, you’re connected.

Inbox
Click on the Inbox icon. This is where you will receive our instant messages, newsletters, notices and calendar events.
Are your kids keen on netball?  
Looking for something to do during the school holidays?  
Why not get involved with ANZ NetSetGO school holiday clinics?

NetSetGO is a great way to introduce 5 to 10 year olds to netball, encouraging them to be active and develop friendships while learning key netball skills.

Netball WA will be running an ANZ NetSetGO nationally recognised holiday clinic at Warwick Leisure Centre on October 9, from 9am-12pm.

Clinics cost $70 for new participants and $55 for 2014 registered NetSetGO participants.

For more information or to book a place contact Amy Fuller on (08) 9380 3732 or amy.fuller@netballwa.com.au
WANTED! Football Boots in any Size for Recycling

Kinglsey Junior Football Club is requesting outgrown/unwanted footy boots. Recycled boots will be available for sale at KJFC Registration Day in February 2015 at very low prices to the local community.

100% proceeds will support
KJFC 15 year old’s Victorian development trip in July 2015.

Please handball your unwanted boots into our collection box outside of the school library (collecting now until the end of the 2014 school year).

Hince Tennis Coaching

Dalmain Primary School
Wednesday Mornings - 8.00am

Tennis coaching is a great hand/eye coordination skill acquisition program and, as the pupil develops, this improvement will have a flow-on effect into other sporting and physical activity.

Classes are fun and progressive with different games for skill practice while maintaining realistic, achievable goals in keeping with the pupils size.

Tennis is an international sport that can be played at any age and standard level.
