PARENT SURVEY
Thank you to those parents who have already completed this survey. All families have the opportunity to participate in a Parent Survey available for parents to complete online. Parents have been emailed the link to gain access to the survey. The survey will close on Monday, 3 November 2014. Parents with any queries about the survey can contact me through the school office on 93093711.

STUDENT PERSONAL ITEMS LISTS 2015
All families should have received a copy of the student lists from OfficeMax this week. Kindergarten lists have been mailed out to all families. Please take the time to look through this information. Parents wishing to take advantage of this service and place orders for next year will need to refer carefully to the information within the flyer. Additional hard copies are available through the school office or may be downloaded from our school web site.

CLASSES 2015
Staff and administration have already been working on possible class structures for next year. Ultimately these will remain in a state of flux until new enrolments are completed early in 2015. As usual the final class structures will not be determined until Friday, 30 January to enable any necessary fine-tuning or adjustments that may need to occur.

Community members who are interested in being involved can contact Katie Jones, Jane McIntyre or the school office.
