From the Principal’s Desk

Dear Parents and Community Members

PARKING
Parents please take care when parking in and around our school. Please do not make U-turns as this leads to confusion with pedestrians and other motorists. Keeping our children safe is our priority. The small amount of time saved by this is not worth the risk. Your cooperation with this matter is appreciated.

ASSEMBLY
Our next school assembly will be hosted by our Year 6/7 students following their camp and will be held on Friday 28 November. Please come along and join us.

YEAR 7 CAMP
The excitement is building for our Year 6/7 students as they prepare to head off to Woodman Point Camp School next week. It will be a unique camp for our students with both graduating year groups attending camp together. Miss Gordon-Plint, Miss Clamback, and Mr Sturmer will accompany our students for the duration of the camp. Mrs Hudson, Mrs Abrahams and Mr Boyes will also visit our happy campers at different times during the week. The camp provides a different set of challenges for our students who will be involved in a range of activities focusing on leadership and teamwork throughout the week. Students learn a great deal about themselves and others on camp and enjoy the additional responsibilities that are involved. I am sure that we will all enjoy listening to their stories on their return next Friday. I would like to thank all staff involved in the camp for their time and commitment and in doing so making the camp possible.

SCHOOL EVENTS
The second half of this term will be a busy time for our school with a number of events scheduled. Please check our website, term planner and newsletter for details and updates. Upcoming events include Year 6/7 Camp, Kindergarten 2015 Information Day for parents, Camp assembly, Orientation day for Year 6 and Year 7 students at Greenwood College, Graduation Dinner and more.
YEAR 6/7 PARENTS
A letter to all Year 6/7 parents will be forwarded home with students today regarding the Graduation Dinner on 4 December. Parents are requested to read this important information carefully. A meeting to discuss the organisation of the night will be held in the school staffroom commencing at 2:30pm Monday 17 November.

SCHOOL CANTEEN MANAGER
Congratulations to Mrs Nicole Hinwood who has been appointed as our new canteen manager for 2015. Nicole is a parent within our school and is looking forward to the challenge of taking on this role.

P&C MEETING
Our final meeting for this year will be held on Tuesday 25 November commencing at 7.00pm in the staffroom. It would be great to have a large turnout of parents in attendance.

P&C MOVIE NIGHT
Tomorrow evening our school P&C will be holding our first ever movie night in the school undercover area. The P&C are certainly hoping for a large turnout of parents and students to support this fundraiser. Please see inside this newsletter for further details.

Have a great week,

Don Boyes
Principal

Welcome back to Tina Curtis who will be helping us again next year and welcome to Eve Higginson who will be assisting with Support-A-Reader in 2015. Thank you to Lisa Booth who has been assisting this term. Lisa has volunteered as a student from UWA. Could all tutors please inform Mrs Winterton about their availability in 2015.

If anyone would like to join Support-A-Reader, a training session will be held in TA 8 on Wednesday 19 Nov, from 10.40 until 11.30am. Please join us, especially if you would like to find out how to help your child at home.

Thank you, Hilary Winterton

Dalmain Primary’s Nature Play Playground

School is a fabulous place to teach kids the value of nature play and encourage them to get active. This week, students from TA 6 have been busy planning Dalmain Primary School’s new Nature Play Playground.

Summary of key benefits of a Nature Play Playground:

- Children who play regularly in natural settings are sick less often. Mud, sand, water, leaves, sticks, pine cones and gum nuts can help to stimulate children’s immune system as well as their imagination.
- Children who spend more time outside tend to be more physically active and less likely to be overweight.
- Children who play in natural settings are more resistant to stress; have lower incidence of behavioural disorders, anxiety and depression; and have a higher measure of self-worth.
- Children who play in natural settings play in more diverse, imaginative and creative ways and show improved language and collaboration skills. Single use, repetitive play equipment becomes boring quickly.
- Natural, irregular and challenging spaces help kids learn to recognise, assess and negotiate risk and build confidence and competence.
- Children who play in nature have more positive feelings about each other.
- Bullying behaviour is greatly reduced where children have access to diverse nature-based play environments.
- Symptoms of Attention Deficit Disorder are reduced after contact with nature.

Movember Free Dress Day

Wednesday 26 November

On Wednesday 26 November Dalmain will be having a Movember free dress day. There will be a competition for the best moustaches so could students please come with their best whiskers.

This should be a fabulous day and students are encouraged to bring along a gold coin donation as all funds raised will go towards cancer research.

Nude Food Day

On Tuesday 18 November we ask that your child’s recess and lunch contain as few items as possible that must be thrown away.

Nude Food Day is a nationwide initiative developed to encourage kids and parents to eat well and live well, and eliminate all unnecessary packaging and wrapping that goes into schools.

Dalmain Primary School Needs You!

Dear Parents, Carers and Friends,

The Dalmain Support-A-Reader Program has been a great success at out school since 1998 when it first introduced as a means of giving children extra help and assistance with their reading.

This great success is due to the kindness and generosity of our parent community who have generously given of their time on a volunteer basis. However, in order for this worthwhile program to continue as successfully as over the last fifteen years, we need more helpers who can give one hour a week of their time to hear four or five children read on a one to one basis. As you can see from the roster advertised in our newsletter, we have some days that still require tutors.

As this is a teaching program, training is available in order to provide volunteers with the necessary skills. The strategies you will learn are very useful when hearing your own children read. Training requires only forty minutes of your time. Tea and coffee are provided.

We invite all parents, grandparents and friends to volunteer for this unique program.

If you would like to assist, please contact Mrs Hilary Winterton (TA 8) on 0434 210 609 or email: Hilary.Winterton@education.wa.edu.au

There will be a training session held from 10.40am to 11.30am on Wednesday, 19 November in TA 8.

Hilary Winterton

Small Charm Found

A small Silver and Gold Charm - possibly Pandora - has been found on the Junior Playground and handed in to the school office.

Please contact the office for further information.

Next year Dalmain Primary School will be 25 years old!

A fete is scheduled to be held on Saturday 2 May 2015.

The fete will be organised and run by our school community through the P&C.

Our school has not held a fete in many years, so I am sure that we will all want to make this one a huge success. In order for this to happen it will require the support of a band of willing helpers.

Community members who are interested in being involved can contact Katie Jones, Jane McIntyre or the school office.

School Phone App

The P&C, on behalf of Dalmain Primary School, has now purchased the Tiqbiz phone app to further enhance communication between home and school.

The phone app is designed and organised through the company Tiqbiz. The app has a number of features which I am sure that parents will find very useful and informative. The app is free to download and there are no charges.

You will find below instructions about how to install this app on to your smart phone, tablet or computer.

Enjoy the new app and please contact the school with any feedback that you have regarding this innovation.

Find and tick

Log-in
Open tiqbiz and register/log-in.

Find
Click the ‘Find Boxes’ and type our name into the search bar. Select us from the results.

Tick
Click the grey tick on the boxes that apply to you. When the tick turns green, you’re connected.
