Welcome to our final newsletter for 2014. This year has been a very successful one across all areas of our school and I look forward to celebrating our 25th anniversary in 2015.

YEAR 6/7 GRADUATION EVENING
Thank you to the many families, special guests and community members who attended this important evening and joined with staff and students to acknowledge the achievements of our Year 6/7 graduates. It was a terrific night with excellent performances from our guitar students, soloists and our school choir. Mr Perry is to be commended for the high quality of the student guitar performance and Mrs Pinakis for her excellent work with the choir. I am sure that all families of our Year 6/7 students felt extremely proud as each student received their Graduation Certificate and presented their speech. Congratulations to all of the students who received awards. A list of award winners is included inside this newsletter. I would also like to thank Mrs Buswell for her wonderful management and coordination of this event.

SCHOOL CONCERT
What an incredible finale we had on Tuesday morning with our concert which this year featured “A Christmas Carol”. Mrs Pinakis created a fabulous script to link all of the classes and elements of the story together. All classes from pre-primary to year 7 played their part in telling an aspect of the tale. The array of costumes, props and special effects was certainly something to behold and really added to the colour and overall performance. We certainly have some very skillful performing arts students. A number of students took up the challenge of playing characters and did so with great effect. Congratulations to all students involved it really was an entertaining morning. I would like to thank all staff for their work and especially Mrs Pinakis for her vision, creativity and determination in staging this concert. I would also like to acknowledge the behind the scenes work from our student computer techs, Mr Sturmer and Miss Chester who ensured that the morning ran very smoothly.

The Support-A-Reader program is short of tutors for 2015. If you are able to assist in 2015 all you need is one hour per week from 2pm until 3pm. Any friends or families of Dalmain PS are invited to assist. If you would like to give one hour of your time each week, please could you contact Hilary Winterton on her mobile: 0434 210 609 or on her email: hilarywinterton@education.wa.edu.au.
We provide a short and interesting training session that promises lots of useful tips to help with your child’s reading at home.

I look forward to hearing from you.

Missing Books from the Library - Please Search at Home

Unfortunately, I have quite a few books that have been borrowed by class teachers for students to use as ‘Home Readers’, particularly in the lower primary block, that have not been returned. I would appreciate it if over the school holidays a search at home could be done to help find any of these missing books.

The entire series of the Dandelion Totem Readers has gone missing as have quite a few of the Dandelion Launchers and Dandelion Readers. These books were bought over the past two years and as they are phonics sequenced, any missing books will cause a gap in the learning of the students’ phonics.

Unfortunately, I am unable to buy these books individually, a complete set will cost the school $300.00 plus shipping.
