From the Principal's Desk

Dear Parents and Community Members,

ASSEMBLY

Congratulations to our delightful students from TA8 who hosted our assembly yesterday. This was our first class assembly for almost 6 months. Our hosts did a tremendous job, especially given that their planned assembly had been cancelled just days from going ahead in term one. The class provided a brief overview of some of their history content and learning about the world as well as entertaining us all with their fabulous rendition of the Aboriginal story "Tiddalick the Frog". The students did an excellent job of remembering and delivering their lines and looked terrific. Well done to all students, Mrs Winterton and Mrs Wilson.

As I mentioned in last week's newsletter, we will not be able to continue with our class assemblies as planned for this term due to the ongoing requirement around physical distancing. Instead, assemblies will be much shorter with merit award winners, prefect reports and general information provided.

At this point, one family member from each family for students receiving a merit award will still be able to attend these assemblies. Parents wanting further clarification around this issue are welcome to contact me through the school office or via email.

FACTION ATHLETICS CARNIVAL

This year we have made a change to the format of our carnival in that our Kindergarten and Pre-primary students will now have an event of their own early in term four and will not participate in the Faction Athletics Carnival planned for Friday, 4 September.

This special event is scheduled for Friday, 30 October and will be tailored towards the skills of our younger students. This mini-carnival will have a focus on fun and participation with parents invited to come along and join-in. Parents of students in Kindergarten and Pre-primary will receive further information regarding this event.

GREENWOOD COLLEGE INFORMATION

This week our Year 6 students have been given additional information regarding the Enrichment Program that will be run by Greenwood College across three Thursday afternoons, later this term. I am sure that our students will enjoy and benefit from this opportunity to experience learning in a high school context. In order to take part, parents are required to complete and return the permission slip attached to the note forwarded home to their child's class teacher.

YEAR 6 WOODMAN POINT CAMP

Today students in Year 6 have been given additional camp information for their scheduled camp at Woodman Point next term. This includes an overview of the camp organisation, cost, planned activities, permission slip and medical form. Please ensure that you read through this information carefully. Parents may choose to pay the cost of camp in instalments or as a one off payment. Parents with queries around camp may contact their child's class teacher or the school office.

P&C – THANK YOU!

Thank you to our P&C who have generously supported the purchase of new indoor large mats for our Kindergarten and Pre-primary classrooms. The new mats have now arrived and will be a welcome addition to the classrooms.

School Communication App

Dalmain has commenced a trial a new school communications app - **School Star**. This app will replace FlexiBuzz.

School Star is available for download for both iPhone and Android devices - simply search for "MGM School Star" and install.

Only parents with phone numbers registered with the school are permitted to create an account and log in to School Star. School Star will automatically detect your school and check your ID credentials. This means that any posted content is protected and confined to the school community only.

While you are logged in to School Star, any message sent by the school will arrive as a School Star notification allowing you to reply to important messages from the school.

What's On in the Garden

Hi and welcome back to "What's on in the Garden". This month's issue is all about the new plants close to TA 5 and TA 6.

There are new plants such as spinach, kale, marigolds and pansies. There was new soil planted there by all the amazing sustainability leaders. They have done so much hard work and they care for the garden so much, like me as well.

That's all for this month and make sure to keep an eye out for the next issue.

The Dalmain Primary School fitness club runs from 8:00am - 8:30am on Wednesday and Friday mornings on the school oval.

All students from Kindy to Year 6 are welcome (parents are asked to accompany students in Kindy or Pre-primary).

Students can join in at any time and sessions will run regardless of the weather.

Any questions please see Mr Valentino.

Dalmain Faction Athletics Carnival

Our kids are busy preparing for this year's **Faction Athletics Carnival** to be held on **Friday of Week 7, 4 September.**

Preceding this will be the **jumps and throwing events** for selected Year4-6 students which will be on **Friday of Week 6, 28 August.**

We are hopeful these events will go ahead with families in attendance, and particular details about parent and spectator involvement will be given to families soon.

Interschool Athletics Carnivals

Across our group of schools we are also working hard to plan our interschool athletics carnivals for this year. The schools involved are Goollelal, Halidon, Hawker Park, Marangaroo, Glendale and Dalmain. The carnivals are scheduled for Week 10 of this term (21 & 23 September) and will be held at Dalmain Primary School.

In these challenging times, it is difficult to predict what involvement spectators and families will be able to have with these events given the number of schools and students who will be involved. Each of our schools is working to prioritise our students, and ensure that the carnivals can be held safely and allow our kids to demonstrate their practical skills, be part of a whole school team and experience an event of this nature. As such, it is important to make our families aware that their involvement as spectators will most likely be limited in some capacity for this year. As events unfold across the coming weeks, our plans will evolve in a similar fashion and we will communicate this to you all.

Thank you for your understanding and if you have any questions at this stage please contact Mr. Valentino at school 6207 2200 or paul.valentino@education.wa.edu.au

SCHOOL PHOTO DAY IS COMING!

For the duration of COVID-19, please be aware that Kapture photographers are following all recommended health guidelines and safe practices. Photographers will use verbal queues and instructions in an effort to uphold a high standard of student presentation. Students may be instructed by photographers to use single use sterile combs, use wet wipes or tissues, to fix collars, buttons and stray hairs - without physically touching students.

Our school photo day is coming! Every student should now have received a Kapture Photography order envelope. The recommended method of ordering your photos is online through Kapture's website as your payment is secure and can be easily verified at any time. If you pay online, there is no need to return the order envelope to school. Alternatively you can pay by cash and return the provided envelope to the school on the photography day. Please note the photographers cannot open sealed envelopes and cannot provide change.

Sibling orders can only be placed online at www.kapture.com.au

You have the option to order a sibling photo package online, however please note there is a physical limit in the school schedule to how many sibling photos can be taken. Once the maximum capacity of sibling orders has been reached, no more sibling orders can be placed. If maximum capacity is not reached, sibling orders **close 12pm midday sharp, AT LEAST one business day prior to the first photo day**. Enter your school code **now** in the Order Online page of our website for a live countdown.

*The school or the photographers cannot accept late orders for sibling photography. Please do not ask as your request simply cannot be accommodated. **Order now to avoid missing out!***

Late payment envelopes cannot be accepted by the school office or by Kapture. You can place an order online for class or individual photographs at any time for the remainder of the current school year; however a \$20 fee will apply if you order more than 10 days after photography.

If your child is in a sports or special photo, you can use the same school code on your order envelope to view and order these photos on Kapture's website, around the time that school photos are ready to be delivered. Please note; class, individual and sibling portraits are not available to view online prior to purchase.

Kapture offer a money back guarantee for any parent who is not fully satisfied with their photo package. Should you have any queries before or after photo day, please direct them to the Kapture office on **9240 1714** or email **enquiries@kapture.com.au**.

*All students will be photographed individually on photo day for school administration records AS WELL as included in their class group presentation available for purchase to all families. Should there be any reason why your child should **NOT** be included in the photo shoot –please contact the school office.*
