From the Principal’s Desk

Dear Parents and Community Members

FACTION ATHLETICS

Last Friday participants and spectators enjoyed a terrific day at our Faction Athletics Carnival. The day flowed smoothly with wonderful support from our school community. The Sharks were again triumphant with 1376 points, followed by Eagles with 1283 points and then Boomers 1148 points. Congratulations Sharks! The event was a very successful one and our students are to be commended on their participation and behaviour throughout the day. The Sports Captains also provided excellent leadership prior to the carnival as well as on the day. It was fantastic to see so many parents and families watching on and cheering. This really does add to the atmosphere and enjoyment of the day. Thank you to the many parents and former Dalmain students with the running of the tabloids, setting up and packing away. Your support really is greatly appreciated. The P&C Morning Tea stall was also a huge success raising over $1500 profit on the day. Of course our gratitude goes to the hardworking ladies who coordinated and ran the stall as well as those parents who donated goodies to be sold. I must thank the Dalmain staff for their efforts before and on the day in preparing students for the carnival and setting up. I would particularly like to acknowledge the efforts of Jo Ranger for her excellent organisation and coordination of the carnival and Nola Archibald for her administrative work behind the scenes. Now we turn our attention towards preparing for the Interschool Athletics Carnival which this year will be hosted by Marangaroo Primary School on Wednesday 7 September. The interschool throws and jumps events will be held prior to this on Monday 5 September. Information for participating students will be forwarded home in the next few days.

P&C MEETING

The meeting held on Tuesday evening was attended by a small group of parents. The agenda included a range of matters to be discussed. Mrs Barbie Connick has been appointed as the canteen manager by the P&C and the school community certainly congratulates and wishes Barbie every success. Further details about the canteen can be found inside today’s newsletter. Other matters discussed focussed on fundraising events including the lapathon, a wine and cheese evening next term as well as an event to officially open the Nature Play area. Details for these final two events are to be confirmed.
WESTERN AUSTRALIAN GOVERNMENT SCHOOLS MUSIC SOCIETY (WAGSMS) CONCERT
This Tuesday, students from Year Five and Six will be performing in the West Australian Government Schools Music Society concert at the Crown Theatre. It should be a terrific night and I am sure it will be one to remember for all participants and their families.

ASSEMBLY
Our next class assembly will actually feature students from Years 5 and 6 who will be performing at Burswood Theatre on Tuesday. All parents and community members are welcome to join us in the assembly area on Thursday.

LAPATHON (31 August)
A final reminder to parents and students that our school lapathon will take place next Wednesday afternoon from 2:00pm on our school oval. There will be a range of lapathon prizes that students can win when funds raised are returned. Once again “Care for Kids” have kindly donated the funding for a major prize – a bike or similar! Sponsorship forms need to be returned to your child’s class teacher by tomorrow. The prize draw will take place at the end of our school assembly on 15 September. A copy of the lapathon form can be located on our school web site.

NAPLAN RESULTS
Students in Years 3 and 5 who completed the NAPLAN assessments in term two will be given their results to take home today in an envelope.

NATURE PLAY BUSYBEE (18 September)
The final zone to be developed is the creek bed play area which will run down from the pre-primary building alongside the junior play area. A contractor will be coming in during the term three holidays to construct a large part of this area, however there will be some preliminary work that needs to be completed first. This will largely entail the removal of existing turf and the planting of some trees. We are looking to tackle this work on Sunday, 18 September. If you are able to lend a hand please let either Amanda Wood (0409 994 822) or the school office know.

NATURE PLAY ROSTER
The tree house has attracted a large number of students during its initial few weeks of opening, however like the large log play area it is now reasonable to revise the initial roster put in place to manage the introduction of this new play area. From Monday the tree house roster will be aligned to the roster for the log area. This means that at recess students from Years 4-6 will be able to play in the log area and in the tree house while at lunch time students from Years 1-3 will have their turn. This area will continue to be closely monitored by staff.

SHOCKPROOF INCURSION
Today and tomorrow students from pre-primary to year six will be involved in Western Power’s free electrical safety incursion. The incursion aims to further educate students about the science of electricity and staying safe with it. Shockproof not only teaches students about safety but also explains why electricity is so dangerous. I am sure all students will enjoy and benefit from being involved.

Have a great week!
