Thursday, 10 September
Year 6 Greenwood
Transition Session 2

From the Principal's Desk

Dear Parents and Community Members,

FACTION ATHLETICS CARNIVAL

The Faction Carnival for students in Years 1-6 is all set to go for tomorrow. Fortunately, the weather is on the improve and we are looking forward to a terrific day.

Parents and community members are reminded that physical distancing restrictions will need to be followed by everyone attending. There will be signage displayed to remind parents about this and we will also have hand sanitiser stations located around the oval. Parents are also requested to not visit the student faction bays during the day. As always we are very reliant on our school community cooperating with these additional requirements. These precautions are in place to for the safety of all and are in-line with the guidelines provided by the Department of Education.

As always parents may assist on the day in many different ways. There is much to be set-up in the morning from 7:30am as well as assisting with tabloid events, the P&C morning tea stall and with the P&C BBQ. If you are able to help out on the day this would be appreciated.

EDU-DANCE CONCERT

Last week all families of students in Pre-primary to Year 6 should have received a note regarding the upcoming Edu-dance concert that will take place on Tuesday, 15 September. This note has also been sent via text (School Star) and is available on our school website. For organisational purposes it is important that we are able to ascertain numbers of students and families attending. Our P&C is also encouraging families to come along and enjoy the late afternoon concert and a picnic.

P&C BUSY BEE

As we head towards Spring and the end of this term our P&C are taking the opportunity to hold a busy bee on Saturday (10.00am – 12.00noon), 12 September to complete some work in our DUG (Dalmain Urban Garden). This will only be for approximately two hours and is a great way to get involved with our school.

UNDERCOVER ASSEMBLY AREA EXTENSION

The roof extension work outlined in previous newsletters has commenced today and should be completed by Monday, 7 September. The contractors have fenced the work area off which will be out of bounds while the building works are carried out.

SCHOOL BOARD MEETING

The next Board Meeting will be held this evening in the staffroom commencing at 6.30pm.

Have a great week, *Don Boyes* Principal

STAY

THE

KNOW

Stay up to date!
Be informed!

Dalmain Primary School use these platforms to keep in touch with the school community.

School Star App

Receive school notifications, copies of notes and details of current events.

Seesaw Family

By accessing the app, or online, parents can access notifications from their class teachers. Parents can also see the work and activities that their child has completed.

Seesaw Class

This is for the students to complete tasks at school or at home. Students have their own access code.

Direct Deposit Payments

Bank: ANZ
BSB: 016-494
Account: 3408-18845
Reference:
Child's Surname / TA

Please confirm payment by email with the **reason for payment**
dalmain.ps@education.wa.edu.au

*****PLEASE NOTE** - Direct Deposit is NOT available for P&C payments.

Dalmain Dockets Term 3 - Week 7

Star of the Week
Ruby R - TA 3

Junior Draw Winner
Amelia M-R - TA 4

Senior Draw Winner
Addison G - TA 8

Bebras Challenge Year 4 - Year 6

Between the 7th and 21st September students will be applying their computational thinking to problem solve a range of challenges online.

Here are a few computational challenges to try: (answers can be located at the back of the newsletter).

Intermediate Level

Ring Toss

BEBRAS
Australia

Sarah is playing the game Ring Toss.
For each round she has 5 rings to try to throw around a peg.
Every ring that successfully lands around the peg scores points, but not every throw is worth the same number of points and a missed throw scores no points:

THROW	POINTS
1st throw	5
2nd throw	4
3rd throw	3
4th throw	2
5th throw	1

Question

Sarah threw her five rings as shown.
How many points did she score?

Advanced Level

Park Walk

BEBRAS
Australia

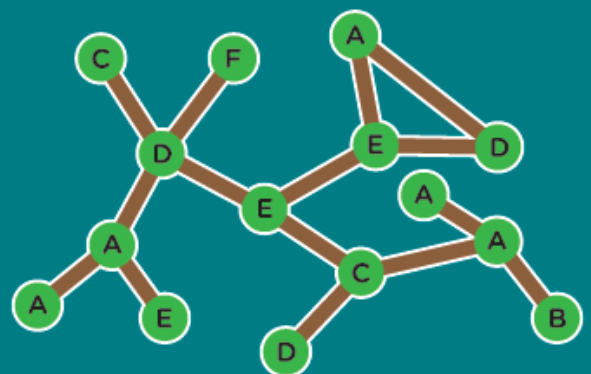

This is the map of a park:

The green circles with letters represent the trees and the brown lines are paths. Note that some letters are used to label more than one tree. Walking from tree F to tree B can be described as F D E C A B.

Last Sunday two families walked in the park.

The Wilde family's walk was B A A A C E D E E D A.
The Gilde family's walk was F D C D A E A D E D A.

Both families started their walks at the same time.
Walking from one tree to another tree, down one path takes the same amount of time.

Question

How many times did the two families meet at a tree?

- ☐ A Once ☐ B Twice ☐ C Three times ☐ D They never met at any of the trees

Faction Carnival Reminders

Get a **good night's sleep** and have a very **healthy breakfast**.

Wear **proper shoes** and fix up your laces.

Drink plenty of **water**.

Make sure you wear your **faction shirt** and you must race with your shoes on.

Add faction colour **accessories** if you want to.

Make sure you bring your **hat** and **sunscreen**!

Sports Carnival Program

Approx. Time	Activity/Event
9:35 - 10:35	Tabloid activities
10:35 - 11:00	RECESS
11:00 - 12:00	Year 1-6 Running Races
12:00 - 12:45	LUNCH
12:50 - 1:40	Year 1-3 and Year 4-6 Team Games
1:50 - 2:40	Year 1-6 Relays and Grand Relay

Week 8 - TA 1

BEBRAS Australia

SOLUTIONS

Intermediate Level

This question
comes from
Malaysia

Answer

Rings landed: blue and green.
Total of 6 points.

Explanation

As blue is on top of the yellow ring, and under the others, it scored 4 points.

As green is on top of all but the black ring, it was the 4th throw, and scores 2 points.

Advanced Level

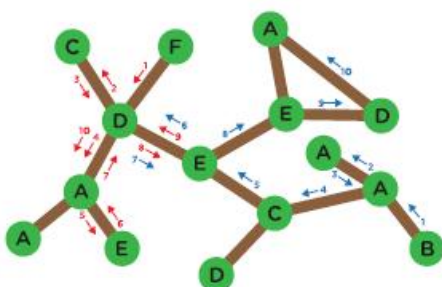

This question
comes from
Slovakia

Answer

D
They never met at any of the trees

Explanation

When you mark out the walk of the Wilde family (starting at B with a blue colour) and the Gilde family (starting at F with a red colour) you can number the trees in the time order they were visited. When you do this, you can see that both families were never at the same tree at the same time.

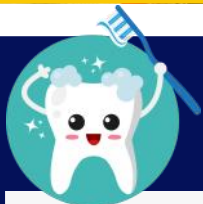

Undercover Assembly Area Extension

The roof extension work on the undercover area has commenced today and should be completed by Monday, 7 September. The contractors have fenced the work area off which will be out of bounds while the building works are carried out.
