Dear Parents and Community Members

INTERSCHOOL ATHLETICS CARNIVAL
Despite the somewhat damp and blustery conditions yesterday, the interschool athletics carnival was still able to be successfully staged. It was an exciting day for our athletes as they competed against students from four other schools. Just like last year it was close all day with the final relay race on the program deciding the eventual winner. Congratulations to Halidon PS who won the School Champions shield by 1 point! The final scores were Halidon 333, Dalmain 332, Goollelal 241, Hawker Park 234 and Marangaroo 180. Goollelal won the Meritorious shield. Congratulations to all of the Dalmain students who did such a wonderful job of competing and representing our school. Thank you to those parents who were able to come along and cheer on our athletes - even in the wind and rain. I would also like to acknowledge and thank Jo Ranger for her excellent work in organising and preparing our students for the carnival.

ASSEMBLY
Next Thursday our pre-primary students will be taking to the stage for the first time as our assembly hosts. I am sure that it will be a wonderful assembly and that there will be a large number of parents in attendance to support our young hosts.

LAPATHON
Many students have already returned their lapathon forms and sponsorship money which is fantastic. Students have until next Tuesday morning to return their money and form to the school office in order to be in the lapathon raffle. There will be a range of lapathon prizes that students can win. Once again “Care for Kids” have kindly donated the funding for a major prize – a bike or similar! The prize draw will take place at the end of our school assembly next Thursday.

NATURE PLAY BUSYBEE (10:00am Sunday, 18 September)
The final zone to be developed is the creek bed play area which will run down from the pre-primary building alongside the junior play area.
A contractor will be coming in during the term three holidays to construct a large part of this area, however, there is some preliminary work that needs to be completed first. This largely entails the removal of existing turf and the planting of native plants and shrubs. We are looking to tackle this work on Sunday, 18 September starting at 10:00am. If you are able to lend a hand please let either Amanda Wood (0409 994 822) or the school office know.

CHESS CLUB
Next Wednesday afternoon Dalmain PS will host a group of chess enthusiasts from North Beach Primary to participate in a round robin chess event. This will involve about 20 of our Chess Club players who are looking forward to the challenge. It will be the fourth year that this has occurred and I am sure that our students will thoroughly enjoy the opportunity of pitting their playing skills against the North Beach students. Good luck to all and thank you to Mrs Melville for organising and coordinating this terrific event once again.

Have a great week!
