From the Principal’s Desk

Dear Parents and Community Members

PARENT INFORMATION MEETINGS
Thank you to the many parents that were able to come along on Tuesday evening and attend the class information sessions presented by teachers. I am sure that parents appreciated the opportunity to gain some additional insight into how their child’s classroom will be managed, the special events planned and the various routines established.

ASSEMBLY
Our first assembly will be held tomorrow morning in the undercover area. At this assembly our school leaders will be announced following the completion of the selection process for the various leadership roles. Following the assembly, morning tea will be provided in the library for all Year 6 students and their parents.

25th ANNIVERSARY - Where are they now?
As a part of our anniversary celebrations this year, this term we are running a segment in our newsletter on past students. This segment will look at former students and what they have chosen to do with their education and careers. If you know a former student or their family and who may have a story to tell, please contact me through the school on 9309 3711. We certainly hope that our school community enjoys this segment and learning a little more about some of our former students.

P&C AGM (Tuesday 24 Feb)
I look forward to meeting with parents at our P&C AGM next TUESDAY 24 FEBRUARY commencing at 7.00pm in the staffroom. The P&C is a vitally important parent group within our school, supporting many programs and ventures. All parents are most welcome to join us.
ANT TREATMENT
Parents please note that our school oval will be treated for ants this Saturday morning if weather conditions are favourable. It is advisable for community members to stay away while this treatment is carried out.

EMERGENCY DRILLS
On Monday and Tuesday our whole school was involved in practising drills for a school lockdown as well as an emergency evacuation. Thank you to all students and parents for their support with these procedures.

Have a great week,

Don Boyes
Principal

After several years of service the Dalmain Primary Uniform Committee are ready to move on and pursue other interests. For this reason, the Dalmain P&C will be looking for a new Uniform Coordinator and Uniform Committee Members.

The uniform shop is one of the essential committees required to keep the school running smoothly. Ideally the committee should run with 3-4 people. The uniform shop is open once a month on a morning that suits the committee.

The coordinator job requires 4-5 hours per month and committee members will require 1-2 hours per month.

If you are able to assist, nominations will be accepted at the P&C AGM on Tuesday 24 February.

For more information call Kirsten Warren on 9408 0228.

Available to all students

Every Wednesday

8.20 - 8.45am

School Library

School Banking 2015 is ready for launch.

For over 80 years, the School Banking program has been teaching Australian children lifelong money skills. This year, your child is invited to join the Dollarmites on an intergalactic mission to Planet Savings.

Information on how students can get on board with School Banking, including a Savings Tracker and a rewards redemption card, is available from your School Banking Co-ordinator.

Your school has received parent packs that include all the information you need to get on board. If you haven’t received a parent pack yet, please ask your School Banking Co-ordinator.

Rewarding good savings habits with eight new items in 2015

The School Banking program encourages good savings habits by rewarding students with awesome reward items. For every 10 deposits made through the program, they can redeem a reward from our Outer Space Savers range, including E.T. DVDs, Planet Handballs, Invisible Ink Martian Pens, Intergalactic Pockets, Glow-in-the-Dark Solar Systems, Cosmic Light Beam Torches, Outer Space Savers Money Boxes and Lunar Light Bands.

You could win a family trip to Disneyland

In a School Banking first, students who make 25 or more School Banking deposits in 2015 will automatically enter the competition draw to win a family trip to California’s Disneyland. The prize includes return airfares, five nights accommodation, transfers and three days park entry for up to two adults and two kids, plus AUD$2,000 spending money.

We Need A Hand or Two!

The Dalmain P&C Annual General Meeting is next Tuesday 24 February at 7.00pm in the School Staffroom. We’d love to see some new faces and helping hands.

Membership of the P&C is open to everyone - parents, caregivers, grandparents, teachers and the community generally. Meetings are informal, friendly and a great way to find out what is happening at our school. No one is pressured to do anything at meetings - feel free to just sit and listen.

Parent volunteers are always needed and there are many ways to help out. It’s great to be able to express support for your child’s education by being actively involved and actually see some results for your efforts.

Come along to the meeting on Tuesday and find out what it’s all about - we’d love to see you!
Kaylie Melville attended Dalmain Primary School from 1991 to 1998. Kaylie honed her percussion skills whilst attending Churchlands High School on a Music Scholarship. After completing a Bachelor of Music (Hon) and Bachelor of Arts at the University of WA, Kaylie moved to Melbourne where she has since completed her Master of Music Studies and Master of Music through the Melbourne Conservatorium of Music.

Kaylie is recognised as one of Australia’s most talented young percussionists. In 2015 Kaylie enters her third year of study at the Australian National Academy of Music and takes up the position of Young Artist in Residence with Speak Percussion as the recipient of a $25,000 Professional Pathways Scholarship from the Victorian State Government and the University of Melbourne.

Kaylie has worked with many of Australia’s leading ensembles and orchestras, and performed at festivals including the Metropolis New Music Festival, Melbourne Festival, Bendigo International Festival of Exploratory Music, the Salihara Festival (Indonesia) and the Percussive Arts Society’s International Conventional (USA). She is also a recipient of a Young People and the Arts Grant from the West Australian Department of Culture and the Arts, which allowed her to travel to the United States to perform at the Percussive Arts Society’s International Convention (PASIC) as a member of the Quadraphonic percussion quartet (2010). In 2013 Kaylie travelled to Princeton University (USA) to attend So Percussion’s Summer Institute, where she performed for Steve Reich and premiered new works by Princeton composers.

In 2014 Kaylie founded the Bricolage Collective, a contemporary percussion ensemble dedicated to championing and performing new Australian works. Kaylie regularly performs with brass pop band Crookshank and the contemporary sextet Rubiks.
