Dear Parents and Community Members

Welcome back to all Dalmain Primary School students, parents and community members. Term four is under way and promises to be another term filled with exciting events and highlights. It is an especially important term for our Year 6 students with their camp, dinner and graduation planned for later in the term. Other significant events include our school concert, kindergarten parent meeting and assemblies. A school Planner for this term has already been forwarded home to all families and is also available on our school website.

ASSEMBLY
Next Thursday morning our first assembly for this term will be hosted by our delightful Pre-Primary students from PP 1. All parents are welcome to join us in the undercover area for this special event.

NATURE PLAY UPDATE
Tonight a meeting will be held in the school library commencing at 7.00pm to provide an update on planning for the nature play area. Nature Play Solutions have drafted a plan for the proposed area and this will be shared with everyone this evening. The plan has several different areas within it and there will need to be discussion around endorsing this plan as well as what can be achieved by the community and what may need to be constructed by a commercial company. The committee is certainly keen to hear from members of our community who may have contact with landscapers, tree loppers and other earth moving equipment. Put simply, the more labour and resources that the school has available, the further the funding dollars will stretch. Please come along and join us.

SCHOOL BOARD MEETING
Members of the school board will meet next Wednesday evening commencing at 6.30pm in the staffroom.
P&C MEETING
Our next meeting is scheduled for 7.00pm Tuesday 27 October in the staffroom. All parents are welcome to join us.

SKYLINE RESTAURANT
The students from TA 6 will be extra busy over the next week as they prepare for the launch of the last of our restaurants this year, ‘Skyline’ which will feature the flavours of Spain. Parents and guests attending will no doubt be indulged with a sumptuous menu on offer. Invitations are due to go home today with TA 6 students with bookings available on Friday.

P&C NEWS - CANTEEN COORDINATOR

**Fathering after Separation**

*Wednesday 21st October 6.30pm - 9pm at Lotteries House, Joondalup*

It’s important for fathers to distinguish between their parenting role and the relationship break-up. This seminar, held in a male-only environment, suggests ways in which fathers can keep in touch with children, even if hindered by formal access arrangements.

**Mums Raising Boys** – up to the age of 12

*Wednesday 4th November at Lotteries House, Joondalup*

However well-prepared mothers are logically, the emotional response to having a boy is often still, ‘Wow! This is unknown territory.’ It is true that for many mothers, the idea of raising a son carries its own set of worries. As the primary female role model in a boy’s life, mothers play an important role in the development of their son’s identity including their ability to be nurturing. This in turn affects how they relate to others, particularly to girls and women.
