Dear Parents and Community Members

YEAR 6 CAMP

Students from TA 6 headed off to Woodman Point yesterday morning full of excitement and anticipation. The camp provides a different set of challenges for our students who will be involved in a range of activities focusing on leadership and teamwork. Activities include archery, rock climbing, search and rescue, raft building, vertical challenges and more. I am sure that our campers will have a wonderful time and will have some intriguing tales to share on their return.

P & C MEETING

A small group of parents met on Tuesday evening and discussed a range of relevant topics. This included fund raising ventures undertaken this year and their success. Amanda Wood provided further updates regarding the proposed nature play area including costs involved with each of the designated zones. A copy of the plan and photos of similar nature play areas will be on display in the undercover and early childhood areas for community members to have a closer look.

The P & C is still looking for a volunteer to assist with helping out with our school canteen. The role is largely one of support, assisting with menu compilation, canteen parent roster and generally promoting the school canteen. If you think that you may be able to help or would like to know more please contact the school office on 9309 3711.

SCHOOL BOARD MEETING

Members of the school board will meet this Wednesday, 4 November commencing at 6.30pm in the staffroom.

Support-A-Reader Roster - 2016

The 2016 roster is currently being prepared. If you are available to help could you please contact Mrs Winterton ASAP?

Thank you,

Dalmain Primary School Needs You!

The Dalmain Support-A-Reader Program has been a great success at our school since 1998 when it was first introduced as a means of giving children extra help and assistance with their reading.

This great success is due to the kindness and generosity of our parent community who have generously given their time on a volunteer basis. However, in order for this worthwhile program to continue as successfully as over the last fifteen years, we need more helpers who can give one hour a week of their time to hear four or five children read on a one to one basis. We would very much like to train four more tutors who could hear a Year One group read.

As you can see from the roster advertised in our newsletter, we have some days that still require tutors. As this is a teaching program, training is available in order to provide volunteers with the necessary skills. The strategies you will learn are very useful when hearing your own children read. Training requires only forty minutes of your time. Tea and coffee are provided. We invite all parents, grandparents and friends to volunteer for this unique program.

If you would like to assist, please contact Mrs Hilary Winterton (TA 8) on 0434 210 609 or email: Hilary.Winterton@education.wa.edu.au
On Friday, we went to the Perth Zoo to see our amazing banner that we made with Ms Wise and Mrs Menegaldo. There were lots of different schools there on excursion too. When we got there we went to the main lawn to have recess. After that, we went to see the banners. They were amazing!

Then we went on the Rainforest Walk and to the African Savannah. Afterwards, we had lunch and went to the penguin enclosure. My favourite animal is the penguin because of how they malt. After seeing the penguins, we went to the tropical birds’ enclosure. When we got back to the main lawn we split up into three groups. I was with Mrs Menegaldo. We saw the Sumatran tigers, the sun bears, the Sumatran orangutans, and Asian elephants. Lastly, we went to the reptile enclosure. It was the best day ever!

Kayla, TA 5

On Friday, we took a bus to the Perth Zoo and had lots of fun. We went there to look at our Wildways banner and to find out some information about the Asian elephant, Sumatran orangutan, Sumatran tiger, and the sun bear which we have been studying in class.

We also stopped at some of the animals like the penguins, the baboons, and much more. My favourite animal was the Sumatran tiger. We were lucky to find a spot in the shade for lunch and recess. I had lots of fun and want to go again!

Katrina, TA 5
