From the Principal’s Desk

Dear Parents and Community Members

ASSEMBLY
What a fantastic assembly we had this morning with performances from our instrumental music students learning guitar, trumpet and clarinet. All groups of students played beautifully and set the tone for the morning. It is amazing how far they have all come since starting to learn their instrument at the beginning of this year. We were also treated to a drumming extravaganza with a small group of Dalmain students being joined by students from Balcatta Primary to demonstrate their rhythmic prowess. It was great to see and hear both groups playing together on stage. Everybody certainly enjoyed their performance.

P&C MEETING
A small group of parents attended the final meeting for the year. Discussions were held on the current canteen menu and level of parent assistance. There will be some changes to the menu next year with some prices for items increasing slightly. These changes will come into effect in 2016. It is also hoped that there will be an increase in the number of parents volunteering to assist in the canteen next year. Discussions were held around how best this could be achieved.

Please note that the AGM has been scheduled for 1 March 2016.

I would also like to express my thanks to the members of the P&C who have contributed so much this year. All office bearers have done a wonderful job and I have certainly appreciated their effort and commitment to the P&C.

KINDERGARTEN PARENT MEETING
It was very pleasing to see a large turnout of parents at this meeting held last Friday morning in the library. The meeting enabled parents to gain some further insight into just what to expect and how to prepare for their child’s start to kindergarten next year. I am sure that with all the information shared and the goodies taken away that parents will feel comfortable about their child starting school.

Have a great week,

Don Boyes

Dalmain Netball Club is in need of some volunteers to keep this well established club going!

Although we have the Dalmain Primary School name and the good fortune of using the Dalmain School’s facilities the Dalmain Netball Club is not a school run club. So if parents do not come forward and volunteer their time there will be NO NETBALL CLUB for the girls in this area to play in. It is of great value to girls as it provides them with an opportunity to experience and develop their netball skills in a caring school based environment with their friends.

At present there are a couple of parent volunteers doing several roles and these can be spread out to as many or as few as required (as they say, many hands make light work).

As mentioned above, the Dalmain Netball Club is well established, currently with 6 teams. The club has been able to maintain 6 teams over the last few years due to our snazzy netball dress which meant our Yr 7’s (Highschoolers) could continue in a team for 2015. It is unlikely that these girls will return for another season and as the committee is presently made up of our Year 7 parents, there is no reason for them to continue with the club next year.

The present committee has done all the ground work for you, registrations are online and all the current participants data is stored on mynetball & our club email system. Bank account is all set up, uniform company established, all relevant contacts are on file. Anyone taking on any duties required to keep Dalmain Netball Club going will be given all the assistance they need.

In previous years Dalmain Netball Club has made registrations available at the start of the school year, experience has taught us that this may need to be sooner. So we are expecting to have our parent volunteers raise their hands by the end of this Spring Season to be ready for 2016 Winter Netball Season.

Your assistance is imperative if you wish your daughter to continue playing for Dalmain Netball Club, as without any new volunteers Dalmain Netball Club will not operate next season. Your response by email is required ASAP or by end of 2015 Spring Season, 1st December 2015.

You can contact the Dalmain Netball Club committee on their email dalmainnetball@gmail.com

Regards,

dalmainnetball@gmail.com
