16th October 2018

Dear Parents/Guardians,

TA1 & TA2's Excursion to "Perth Zoo"

This year we have been studying 'Biological Science' and investigating the habitats, features, diet and adaptations of different animals. Hence we have organised an exciting visit to Perth Zoo on Tuesday, November 6 to consolidate this learning. We will be participating in the "Journey Back in Time" educational experience. Students will connect with nature and be empowered to take positive action for our environment. They will enjoy an interactive performance and journey back in time with Professor Fossil. Students will discover why dinosaurs disappeared 65 million years ago and were replaced by megafauna like giant kangaroos and wombats. They will follow clues that explain the past and learn what we can do to prevent further extinctions. This should be a fun and exciting way to finish up our learning and we encourage all parents/guardians to allow their child/ren to attend.

We will require **4 parent helpers** to come along with us. Please let us know if you are available.

The excursion will include:

- Bus to and from the zoo
- Entry to the zoo
- Educational Experience

For more information please visit www.perthzoo.wa.gov.au

Please send in the **\$23.00** to the classroom teacher by **November 2**, along with the completed permission slip below.
