Dear Parents/Guardians,

TA1 & TA2's Excursion to "Perth Zoo"

In class this term we have been studying 'Biological Science' and investigating the habitats, features, diet and adaptations of different animals. Hence we have organised an exciting visit to Perth Zoo on Tuesday, September 19 to consolidate this learning. We will be participating in the "Who Am I?" educational experience. In this fun and interactive experience students discover the identity of a mystery creature by comparing animal groups and their coverings. An understanding of classification gives students a better appreciation of biodiversity within animal groups. Students will learn the 'what' 'why' and 'how' of animal coverings through close encounters. This should be a fun and exciting way to finish up our term and we encourage all parents/guardians to allow their child/ren to attend.

We will require **6 parent helpers** to come along with us. Please let us know if you are available.

The excursion will include:

- Bus to and from the zoo
- Entry to the zoo
- Educational Experience
