

DALMAIN PRIMARY SCHOOL

SCHOOL CONTRIBUTIONS AND CHARGES

2018

The Department of Education policy on the issue of monies paid by parents to schools for educational purposes necessitates schools providing parents with an outline of all costs they will be expected to meet in the year ahead.

On the reverse of this is a copy of the costs parents may be expected to pay over the course of 2018. The schedule lists the maximum costs and includes many items the majority of parents will not have to pay, eg instrumental music and PEAC. Even many PEAC students will not pay the listed amount, it will depend on the courses chosen. This schedule has been discussed with and approved by the School Board.

The money is in three (3) categories.

1. VOLUNTARY CONTRIBUTIONS

Voluntary Contributions are now -

Per Student \$60.00

2. PERSONAL USE ITEMS

Personal Item Lists can be purchased from the recommended supplier or a supplier of your choice. These are items that are the personal property of the child and will be used by them throughout the year.

PLEASE NOTE:

- It is expected this schedule is a complete list and will include all costs for the year. **Parents are not expected to pay in advance** but could choose to do so. Personal Item Lists must be paid for when ordered or picked up and we would prefer the voluntary contributions to be paid with personal item lists or early in the year. Excursions can be paid for as they occur.
- This schedule of charges **DOES NOT** include the \$25.00 P & C Voluntary Contribution in lieu of major fundraising. The P & C contributions can also be paid with your student's Personal Item List.
- The schedule of charges does not include donations for charity days, eg Red Nose Day or fundraising activities such as Lap-a-thon, discos etc. Participation in, or contribution to these activities, is voluntary.

3. STUDENT CHARGES

Parents now have the option to pay a **once off payment** to the school for Student Charges as per the 2018 schedule. Payments will be offset against individual students during the course of the year as the incursions/excursions arise. If there is any unallocated credit at the end of the school year this will be carried over to the following year. Year 6 students leaving at the end of 2018 with unallocated credit will be credited against a sibling(s) or, refunded if no sibling currently attends the school.

Other special events charges to be paid prior to the event.

Dalmain Primary School

Contributions and Charges Schedule for the Year 2018

We have shown the maximum cost for every planned event that will take place in 2018. It is not expected that all students will participate in all listed activities. At the commencement of the year all students in Years K-6 will require their PERSONAL ITEM LISTS. Payment of the Voluntary Contributions would also be appreciated at the beginning of the year.

NB: This schedule does not include school uniform costs.
